SUMMARY

Detail-oriented and innovative Frontend Developer with a proficiency in ReactJS, combining technical expertise with a keen eye for UI design. Proven track record in crafting visually appealing and user-friendly interfaces, adept at translating design concepts into responsive and efficient code.

My teaching experience has not only equipped me with a deep understanding of technology but also instilled in me a continuous learning mindset, ensuring that I stay ahead in a rapidly evolving industry.

EXPERIENCE

KACHITECH INSTITUTE || LAGOS

Instructor   **2023 - Present**

- Providing hands-on coding exercises to reinforce learning and practical skills.
- Providing guidance and mentorship to students offering support in their learning journey environment.
